To Whom It May Concern

This is to certify that Mr. Md. Abrar Faiyaj is currently pursuing the Master of Science in Biotechnology from BRAC University. He has achieved a CGPA of 3.67 on a scale of 4.00 over 30 completed credits. His thesis work is currently ongoing. He was awarded 50% tuition fee waiver in Spring 2025 semester and 10% tuition fee waiver in Summer 2025 semester under "Merit Scholarship based on BracU academic results".

We would consider him to be a valuable student of BRAC University, who has consistently achieved excellent results.

We wish him success in the next stage of his career.

Yours sincerely,

D.A. Dowland.
